

Seabrook Stingrays, Inc.
www.SeabrookStingrays.com

Dear Friend:

Each summer since 1975, the Seabrook Stingrays Swim Team has offered the youth of our community the opportunity to improve their swimming skills in an atmosphere of healthy competition with other swim teams from the surrounding areas. Children between the ages of 5 and 18 can enjoy this community supported activity. The Stingrays swim team continues to provide our youth with one of the few organized recreational outlets available during the summer. Last summer, the Stingrays advanced to the Medium Division in the Clear Creek Swim League. The Stingrays placed 2nd place in their division. Your donation will help over 175 children from the Clear Lake Shores, Kemah, and Seabrook areas to swim this summer.

We are asking businesses and organizations in our community to help support our team and high school swimmers with college scholarships to be awarded in their senior year. We are a nonprofit swim league and need sponsorships to run a team of this size. Any business or organization that sponsors \$150 or above or donates to the graduating Sr. College Scholarship \$100 or above will have their business or organization name printed on the back of the 2008 official team T-shirts, team sponsor banner and will have a link on the team's website. These T-shirts are worn by our swimmers and their parents throughout the season and will provide wide spread advertising exposure for your company or organization. The sponsor banner is displayed at all swim meets throughout the Bay Area. The website is the team's means of communication with parents. All contributions are tax-deductible.

Graduating Senior College Scholarship is a program to assist High School swimmers with a college education. Each high school senior that meets the eligibility requirements will receive a college scholarship to the college of their choice when graduating from high school. Scholarship money is sent directly to college of their choice in the swimmer's name.

If you would like to sponsor our team, please fill out the attached form and forward it to the address above, along with your check to the Seabrook Stingrays. **All sponsorship requests should be received by April 24th, 2008** to ensure your company or organization's name is on the Stingrays' 2008 official Team T-shirts. The Seabrook Stingrays appreciates your support for this important activity for the youth in our community.

Sincerely,

Cathy Price, Sponsorship Committee and Board Member
